1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

We are customers of The Company (subject to pending proceeding)

2. Please give a concise statement of your protest. (This section must be completed. Attach additional information if necessary.)

I object to A business/company having the need for rate increases due to their mis-management or lack of knowledge of resources/expectations. Expecting customers to incur the expenses of their failures is outrageous. A reduction in Shareholder Equity needs to happen first in A private Company.

3. Do you wish to make an appearance at hearing in this proceeding, if scheduled, and offer sworn testimony?

If needed.
